Re: Dick's Service and Auto Salvage Company
EPA I.D. No.: None

Dear Mr. Beckman:

On April 15, 2015 representatives of the U.S. Environmental Protection Agency and the White Earth Reservation inspected Dick's Service and Auto Salvage Company (Dick's Service) located in Mahnomen, Minnesota. In response to violations of the Resource Conservation and Recovery Act, 42 U.S.C. § 6901 *et seq.* (RCRA) identified during the inspection, we issued a Notice of Violation to you on January 6, 2016. During the inspection you took certain actions to address the violations outlined in the letter. Subsequent to our Notice of Violation, the White Earth Reservation Natural Resource Department reviewed your case with EPA and, in a June 23, 2016 phone call to EPA, recommended no further action.

This letter is to inform you that EPA does not plan additional enforcement action at this time. This letter does not waive any of EPA's rights to bring an enforcement action in the future based on new violations, or for violations of other federal or state statutes or regulations. Thank you for your attention to this matter.

If you have any questions or concerns regarding this matter, please contact Daniel Chachakis, of my staff, at (312) 886-9871.

Sincerely,
